

### LIST OF THESIS TOPIC

<b>NO</b>	<b>Name Students</b>	<b>ID NUMBER</b>	<b>Proposed Thesis Title</b>	<b>Scientific Field of the Proposed Thesis Topic</b>
1	Yuni Rengen	131711133163	Analysis of Factors Associated with Feeding Practices in Toddlers at Fakfak Tengah Public Health Center	Maternity Nursing
2	Ema Tri Restanti	131811133001	Analysis of Factors Influencing Parents in Providing Sex Education to School-Age Children	Fundamental Nursing
3	Siti Aisah	131811133002	Analysis of Factors Affecting ANC Compliance Among Pregnant Women During the COVID-19 Pandemic Based on the Health Belief Model (HBM)	Maternity Nursing
4	Videa Alvi Nurohmah	131811133003	Analysis of Factors Related to Adolescents' Behavior in Participating in COVID-19 Vaccination Based on the Health Belief Model	Pediatric Nursing
5	Nadia Nur Labibatun Naim	131811133004	The Effect of Online Social Support with Acne Fighter Content on Self-Esteem and Body Image Among Adolescents with Acne Vulgaris	Psychiatric Nursing
6	Rio Arya Putra Mahendra	131811133005	Analysis of Factors Related to Mothers' Decisions to Provide Routine Immunization for Children During the COVID-19 Pandemic in Sidoarjo	Pediatric Nursing
7	Siti Alfiah Wahyantika	131811133006	Analysis of Factors Associated with Mothers' Behavior in Early Complementary Feeding Based on the Health Belief Model	Pediatric Nursing
8	Amanda Apriliya	131811133007	Analysis of Factors Related to Working Mothers' Behavior in Facilitating Breast Milk Production in the Krembung Community Health Center Area	Maternity Nursing
9	Jeakline Ismi Dwiono	131811133008	Relationship Between Self-Esteem and Burnout Syndrome Among Nursing Students in the Quarter-Life Crisis Phase During the COVID-19 Pandemic	Fundamental Nursing
10	Novi Dwi Rizkawati	131811133009	The Effect of Self-Regulation on Recurrence of Gout Arthritis in Older Adults at the Elderly Health Post in Kedungwaru Village, Kedungwaru District, Tulungagung	Gerontological Nursing
11	Kiki Damasari Millenia	131811133011	Comparison of the Effects of Education Delivered via Virtual Meeting Platforms and E-Booklets on Pregnant Women's Behavior Regarding Bleeding and ANC in Kertajaya	Maternity Nursing
12	Elyza Tri Agustina	131811133012	Relationship Between Knowledge and Implementation of Clean and Healthy Living Behavior (PHBS) in Households and Stunting Incidence in the Kenjeran Health Center Area, Surabaya	Pediatric Nursing

13	Clarita Maharani	131811133013	Relationship of Knowledge and Motivation in Hypertension Self-Management with Blood Pressure Among Productive-Age Hypertensive Patients	Medical Surgical Nursing
14	Anjelpi	131811133014	Relationship Between Community Perceptions and Enthusiasm to Receive COVID-19 Vaccination at Banpres Public Health Center	Community and Family Health Nursing
15	Yohana Tri Pangesthi	131811133015	Relationship of Lifestyle and Social Support with Dependency Level in Activities of Daily Living (ADL) Among Older Adults	Gerontological Nursing
16	Naylul Farohah	131811133016	Analysis of Factors Related to Family Behavior in Caring for Older Adults with Hypertension Based on the Health Belief Model	Community and Family Health Nursing
17	Gentri Zulfika	131811133017	Analysis of Factors Affecting Compliance in Consuming Iron (Fe) Tablets Based on the Information-Motivation-Behavioral Skills (IMB) Model Among Pregnant Women	Maternity Nursing
18	Putri Alifian Sumarjo	131811133018	Relationship Between Sedentary Behavior and Gadget Use with Risk of Depression in Adolescents	Psychiatric Nursing
19	Syafira Dhea Fitra Ningtyas	131811133019	Analysis of Factors Related to Community Leaders' Support in Implementing Infant Immunization	Pediatric Nursing
20	Melynia Purwatiningrum	131811133020	The Effect of Moringa ( <i>Moringa oleifera</i> ) Bark Infusion on Blood Glucose Levels in Mice ( <i>Mus musculus</i> ) Induced with Glucose Load	Medical Surgical Nursing
21	Fauziah Dinda Pratama	131811133022	The Relationship Between Family Social Support and Self-Esteem with Academic Burnout Among Nursing Students at Universitas Airlangga	Fundamental Nursing
22	Tiyani	131811133023	Mothers' Perceptions with a History of Early Marriage in Choosing Long-Term Contraceptive Methods	Maternity Nursing
23	Devina Nada Dwi Putriary	131811133024	The Effect of Bay Leaf Decoction and Honey on Uric Acid Levels and Pain Intensity in Elderly Patients with Gout Arthritis in Batankrajan Village, Mojokerto	Gerontological Nursing
24	Julfia Aina Sari	131811133025	The Relationship Between Career Planning and Family Support with Students' Interest in Continuing to the Nursing Profession Program	Fundamental Nursing
25	Amalia Bella Fernanda	131811133026	Risk Factors of Computer Vision Syndrome Among Students During Online Learning in the COVID-19 Pandemic	Fundamental Nursing
26	Titis Mustikowati Danasari	131811133027	Implementation of Nurses' Cultural Competency in Caring for Patients in the Intensive Care Unit	Emergency, Critical, and Disaster Nursing
27	Ajeng Triska Permata Sari	131811133028	The Relationship Between Beauty Standard Stigma on Social Media and Stress Levels Among Adolescents in Surabaya	Psychiatric Nursing

28	Lidia Lestiawati	131811133030	The Relationship Between Social Media Addiction and Stress Levels Among Adolescents During the COVID-19 Pandemic at SMAN 22 Surabaya	Community and Family Health Nursing
29	Nia meilansari	131811133031	The Relationship Between Body Image and Stress Levels Among K-POP Fans in Social Media Communities	Psychiatric Nursing
30	Indah Choirun Nisa	131811133032	The Relationship Between Intolerance of Uncertainty and Anxiety Levels During Online Learning Among Nursing Students at Universitas Airlangga	Community and Family Health Nursing
31	Melania Natalia Tia Darmiati	131811133033	The Relationship Between Zoom Fatigue and Self-Efficacy in Nursing Students at Universitas Airlangga During Distance Learning	Fundamental Nursing
32	Marthalia Oktavianty Dwi Cahyani	131811133034	The Relationship Between Knowledge and Family Support with Clean and Healthy Living Behavior Among the Elderly	Gerontological Nursing
33	Ardhiyeni Hesti Oktavia	131811133035	Factors Associated with COVID-19 Vaccination Commitment Among Pregnant Women	Maternity Nursing
34	Alicia Novita Siregar	131811133036	Characteristics of Adverse Events Following Immunization (AEFI) of COVID-19 Vaccines Among Students with Comorbidities in Jakarta	Medical Surgical Nursing
35	VICTORIA PUTRI PRATAMA	131811133037	The Relationship Between Period Tracker Use and Lifestyle Habits with Menorrhagia Prevention Among Female Adolescents at SMA 17 Agustus 1945 Surabaya	Maternity Nursing
36	Cindy Nanda Giatin Mellini Putri	131811133038	Factors Associated with the Selection of Long-Term Contraceptive Methods (LARC) Among Women of Reproductive Age in Manukan Kulon Health Center Area	Maternity Nursing
37	Cinthia Jessica Meylinda	131811133039	Parental and Environmental Factors Influencing Incidence of Acute Respiratory Infection (ARI) Among Toddlers in Roomo Village, Gresik	Pediatric Nursing
38	M Robith Ikhwana Romadhan	131811133041	Factors Associated with the Use of "Kerokan" as a Health Alternative Among the Community in Seputih Mayang Village, Jember	Community and Family Health Nursing
39	Amira Diniya Raushanfikri	131811133042	Factors Causing Culture Shock-Related Anxiety Among First-Year Students from Outside Java Island at Universitas Airlangga Campus C	Psychiatric Nursing
40	Adelia Putri Yanmartika	131811133043	Stress Levels of Mothers Accompanying School-Age Children During Online Learning in the COVID-19 Pandemic in RW 07 Pogot Jaya Surabaya	Psychiatric Nursing
41	Munasaroh	131811133044	The Relationship Between Gadget Use and Social-Emotional Development in Preschool Children at PAUD and TK An-Najiah Surabaya	Pediatric Nursing

42	Firda Alicia Rahma	131811133045	The Relationship Between Parental Characteristics, Knowledge, and Verbal Stimulation with Speech Development of Children Aged 2–4 Years in Mojo Surabaya	Pediatric Nursing
43	Adila Rosyida	131811133047	The Relationship Between Stress Levels and Nutritional Status with Menstrual Cycle Among Nursing Students at Universitas Airlangga	Maternity Nursing
44	An Nisa'u Sholeha	131811133048	The Relationship Between Sleep Hygiene Behavior and Sleep Quality Among Adolescents with Asthma	Pediatric Nursing
45	Dony Megapratama	131811133049	The Relationship Between Online Learning During the Pandemic and Stress Levels Among Final-Year Students in Surabaya	Psychiatric Nursing
46	Wendi Genta Perkasa	131811133050	The Effect of Instagram-Based Health Education on Knowledge of Basic Life Support Among the East Java Community	Emergency, Critical, and Disaster Nursing
47	Erlina Nurhayati	131811133051	The Relationship Between Parenting Style and Gadget Use Intensity with Emotional Intelligence Among Elementary School Children at SDN Sekar 1	Psychiatric Nursing
48	Andi Warda Khumairah Idris	131811133052	Comparison of Healing Time of Laceration Wounds After Suturing Using Silk vs Catgut Sutures in Trauma Patients at the Emergency Unit of Dr. Soetomo Hospital Surabaya	Emergency, Critical, and Disaster Nursing
49	Siti Ainun Halim	131811133053	Factors Associated with Mothers' Behavior in Initial Management of Minor Burns in Toddlers	Pediatric Nursing
50	Lilis Agustin	131811133054	The Relationship Between Self-Efficacy, Resilience, and Psychological Distress Among Final-Year Students During the COVID-19 Pandemic	Psychiatric Nursing
51	Fitria Ulfa	131811133055	The Relationship Between Parenting Style and Toothbrushing Habits with Dental Caries in Preschool Children	Pediatric Nursing
52	Dewi Anggraeni	131811133056	The Relationship Between Gadget Use and Development Among Preschool-Aged Children	Pediatric Nursing
53	Adinda Nur Amila	131811133057	Analysis of Community Acceptance of the "PeduliLindungi" Application Using the Unified Theory of Acceptance and Use of Technology (UTAUT)	Community and Family Health Nursing
54	Umi Ida Maulidah	131811133058	Family Preparedness in Facing Natural Disasters in the Coastal Area of Watu Ulo	Emergency, Critical, and Disaster Nursing
55	Selsza Pramesti Cintara	131811133059	Factors Affecting the Intention of the Elderly to Receive COVID-19 Vaccination	Gerontological Nursing
56	Mustika Milenia Dwi Tunjung Biru	131811133060	Analysis of Postpartum Hemorrhage Factors at Banjarejo Health Center	Maternity Nursing

57	Marta Apsari Putri	131811133061	The Relationship Between Maternal Knowledge, Parenting Style, and Income with Snack Selection Behavior in School-Age Children During the COVID-19 Pandemic	Pediatric Nursing
58	Faisal Adi Irawan	131811133062	The Relationship Between Parental Knowledge and Perceptions with Malaria Prevention Among Children in Rimba Jaya Health Center, Merauke	Community and Family Health Nursing
59	Eka Swastika Putri	131811133063	The Effect of <i>Pregnancy Care Community</i> Cadre Training on Knowledge and Motivation of Maternal Health Cadres in Kertajaya Surabaya	Community and Family Health Nursing
60	Mega ayu lestari	131811133064	The Relationship Between Parental Knowledge and Parenting Style with Implementation of Cognitive Development Stimulation in Preschool Children	Pediatric Nursing
61	Wahana Tunggal Dewi	131811133066	The Relationship Between Knowledge and Attitude with Acceptance of COVID-19 Vaccination Among Coastal Communities in Surabaya	Community and Family Health Nursing
62	Alfina Riza Damayanti	131811133067	The Relationship Between Maternal Knowledge, Sleep Quality, and Growth with Infant Massage Therapy for Babies Aged 0–12 Months During the COVID-19 Pandemic	Pediatric Nursing
63	Hadyan Alwi Muzakki	131811133068	The Relationship of Social Media Use with Self-Esteem and Narcissistic Tendencies	Psychiatric Nursing
64	Fanda Raka Aridianto	131811133069	The Relationship Between Smartphone Addiction, Sedentary Lifestyle, and Anxiety with Nutritional Status of SMAN Kesamben Jombang Students	Pediatric Nursing
65	Atikah Nuraini	131811133071	The Effect of Learning From Home (LFH) on Social Intelligence of Children Aged 6–12 Years in Sarirogo Village	Pediatric Nursing
66	Nofita Dwi Rohmawati	131811133072	The Relationship Between the Use of the Maternal and Child Health Book (KIA) and Anxiety Levels of Primigravida Mothers Before Delivery During the COVID-19 Pandemic	Maternity Nursing
67	Nafilah Azmi Yaswar	131811133073	Factors Influencing Medication Adherence Based on the Health Belief Model Among Pulmonary TB Patients to Prevent MDR	Fundamental Nursing
68	Yunia Ika Wahyuningsih	131811133074	The Relationship Between Parental Support and Readiness for Face-to-Face Learning Among Elementary School Students	Pediatric Nursing
69	Nurika Dian Meirani	131811133075	Factors of Parenting Stress in Parents Supporting Online Learning During the COVID-19 Pandemic Among Elementary and Junior High School Children in Manukan Kulon	Community and Family Health Nursing

70	Anni Izza Hanifa	131811133076	The Relationship Between Family Support, Parental Anxiety, and Compliance with Basic Immunization for Toddlers at Banjarejo Health Center During the COVID-19 Pandemic	Pediatric Nursing
71	Nadilla Salsabilla	131811133077	The Relationship Between Music Therapy and the Level of Aggressive Behavior Among Adolescents in Surabaya	Psychiatric Nursing
72	Siti Aisyah Noor Afifah	131811133078	The Relationship Between the Level of Religiosity and Anxiety Among Nursing Students at Airlangga University During the COVID-19 Pandemic	Psychiatric Nursing
73	Purwestri Dyah Kinanti	131811133079	The Relationship Between Family Support and Compliance in Follow-Up Visits and Medication Adherence Among Pulmonary TB Patients in the Pacarkeling Public Health Center Area	Community and Family Health Nursing
74	Dhuriatul Nurcholisa Agustin	131811133080	The Relationship of Internet Parenting Styles and Children's Self-Esteem with Smartphone Addiction as a Long-Term Impact of the COVID-19 Pandemic in Elementary School Children	Psychiatric Nursing
75	Rona Meilynasari	131811133081	The Relationship Between Husband's Support and Anxiety Levels of Third-Trimester Pregnant Women During ANC Visits at Ujungpangkah Health Center	Maternity Nursing
76	Febry Hayyu Hanifah	131811133083	The Relationship Between Parental Support and Myopia Prevention Efforts in Elementary School-Aged Children	Pediatric Nursing
77	NABILLA FARHAHA FEBRIYANTI	131811133084	The Effectiveness of TikTok Application on Improving Mental Health Knowledge Among Adolescents	Community and Family Health Nursing
78	Rahajeng Mahardhini	131811133085	The Influence of Family Support on Learning Motivation in Children Using Hybrid Learning Methods in the New Normal Era Post-COVID-19 Pandemic (Case Study at SDN Simomulyo I)	Fundamental Nursing
79	Muhammad Fikri Alfaruq	131811133086	Overview of Mothers' Resilience in Managing the Impact of Annual Flood Disasters in Lamongan During the COVID-19 Pandemic	Emergency, Critical, and Disaster Nursing

81	Ayu Arihanakita Satriawati	131811133088	The Relationship Between Gadget Use and Speech Delay in Toddlers at the Sekardangan Child Development Clinic, Sidoarjo	Pediatric Nursing
82	Alifianti Khoirul Wardah	131811133090	The Relationship of Self-Concept, Peer Roles, Family Function, and Knowledge Level with Premarital Sexual Behavior Among Adolescents in Kalibaru, North Jakarta	Maternity Nursing
83	Rizky Bagoes Alfian	131811133091	The Relationship Between Family Support and Childhood Obesity During the Pandemic	Pediatric Nursing

84	Amalia Niswah Qonita Khoiriyah	131811133092	The Effect of Booklet-Based Health Education on Knowledge and Attitudes Regarding Exclusive Breastfeeding at Tambak Wedi Health Center, Surabaya	Maternity Nursing
85	FADHILAH ANGGRAINI	131811133093	The Effect of Foot Exercise with Golf Ball Treatment on Blood Circulation Among Diabetes Mellitus Patients in Surabaya	Medical Surgical Nursing
86	Alfiansyah Noor Muhammad	131811133094	The Effect of ASMR Nature Sound Type-B Music Therapy on Work Stress Levels of Emergency Room Nurses at RSUD Surabaya	Manajemen Keperawatan
87	Burhanuddin Candra Maulana	131811133096	The Effect of Supplementary Feeding Programs on the Frequency of Visits by Mothers of Toddlers at Posyandu in Windu Village, Karangbinangun, Lamongan	Community and Family Health Nursing
88	Shafira Siribisiri Ramadanti	131811133097	The Relationship Between Parents' Interpersonal Communication Patterns and Emotion Regulation Process in Adolescents at SMAN 19 Surabaya	Fundamental Nursing
89	Anisa Roma Fitriani	131811133098	The Relationship Between Self-Control and Compliance with Health Protocols During the New Normal Era of the COVID-19 Pandemic Among Nursing Students of Airlangga University (Class of 2019 and 2020)	Community and Family Health Nursing
90	Anhdina Ayuning Puspa	131811133099	The Relationship Between Social Media Use Intensity and Social Comparison with the Formation of Adolescents' Self-Esteem	Pediatric Nursing
91	Achmad Ferdynan Thomas Irwana	131811133100	The Relationship Between Instagram Social Media Usage Intensity and Depression Levels	Psychiatric Nursing
92	Ayu Devi Prestiyanti	131811133101	The Relationship Between Pregnant Women's Perceptions and Acceptance of COVID-19 Vaccination at Kalianget Public Health Center Based on the Health Belief Model	Maternity Nursing
93	Nanda Farhana Auliasani	131811133102	The Effectiveness of Dark Chocolate and Soy Milk Consumption on Dysmenorrhea Among Nursing Students at Airlangga University	Maternity Nursing
94	Kinmei Leon Laurensius	131811133103	The Relationship Between Social Restrictions and Elderly Neglect Within Families During the COVID-19 Pandemic in Surabaya	Community and Family Health Nursing
95	Annisa Ramadhani	131811133104	Description of Anxiety Levels Among Adolescents During Distance Learning in the COVID-19 Pandemic in Bandung	Psychiatric Nursing
96	Wulandari	131811133106	The Relationship Between Perception and Self-Efficacy Among Women of Childbearing Age in Performing VIA Tests as Early Detection of Cervical Cancer	Maternity Nursing
97	Mediani Wahyu Prihandini	131811133107	The Relationship Between Self-Efficacy, Knowledge Level, and Anxiety Regarding Menarche Among Female Adolescents	Psychiatric Nursing

98	Monica Agustine	131811133108	Analysis of Factors Influencing Menstrual Cycle Disorders in Nursing Students at Airlangga University During the COVID-19 Pandemic	Maternity Nursing
99	Arinie Sabela	131811133109	Analysis of Factors Influencing Balanced Nutrition Practices Among Adolescents at SMA Negeri 2 Grabag During the COVID-19 Pandemic	Community and Family Health Nursing
100	Meilina Juwaranti	131811133110	The Relationship Between Burnout and Time Management in Academic Tasks and Orientation Activities Among First-Year University Students	Manajemen Keperawatan
101	Chalimatus Sya'diyah	131811133112	Analysis of Factors Influencing Breastfeeding Mothers' Behavior in Providing Exclusive Breastfeeding Based on the Health Belief Model	Maternity Nursing
102	Novianty Krisna Putri	131811133114	Analysis of the Influence of Work Overload and Perceived Organizational Support on Burnout Among Nurses	Manajemen Keperawatan
103	SHANIA ROFIDAH KHANSA	131811133115	The Relationship Between Mothers' Knowledge and Attitudes in Posyandu Activities About Kadarzi and Nutritional Status of Toddlers in Manyar Sidorukun Village	Pediatric Nursing
104	Mifta Kumalasari	131811133116	The Effectiveness of Hand Puppet Show Media to Implement Sleep Hygiene and Improve Sleep Quality in Gadget-Using School-Age Children	Pediatric Nursing
105	Dyah Ayu Mustika	131811133117	The Relationship Between Knowledge and Perception and Willingness to Receive COVID-19 Vaccination	Community and Family Health Nursing
106	Benaya Jemaloe	131811133118	The Relationship Between Mothers' Knowledge and Exposure to Baby Food Ads with Early Complementary Feeding (MPASI) Practices Among Infants Aged 0–6 Months	Pediatric Nursing
107	Dea Khoirunnisa	131811133121	The Relationship Between Night Eating Syndrome and Sleep Quality Among Final-Year Nursing Students at Airlangga University	Community and Family Health Nursing
108	Fitri Millenia	131811133123	Compliance of Pregnant Women in Consuming Iron Tablets in Cirendeu Village, Solera District	Maternity Nursing
109	Listia Cahya Amini	131811133125	The Relationship Between Parenting Styles and Incidents of Child Abuse During the COVID-19 Pandemic	Community and Family Health Nursing
110	NUR ATHIYAH AMINI	131811133126	The Relationship Between Workload and Motivation of Nurses with Completeness of Nursing Documentation in the Inpatient Ward of Abdul Riva'i Hospital, Berau	Manajemen Keperawatan
111	Mahayu Sarita	131811133127	The Relationship Between Knowledge and Attitude and First Aid Behaviors for Drowning Incidents Among Navy Personnel in Jayapura	Emergency, Critical, and Disaster Nursing
112	Dina Shifana	131811133128	The Effect of Fidget Toys "Pop It" Play Therapy on Memory and Numeracy Ability in Children with Intellectual Disability at SLB PGRI Tlanakan Pamekasan	Psychiatric Nursing

113	Halim Rahmat Zhafran	131811133131	The Influence of Morning Assembly Activities on Intellectual Intelligence at Santi MBI Amanatul Ummah Pacet, Mojokerto	Fundamental Nursing
114	Hani Salsabila Deva	131811133136	The Relationship Between Self-Efficacy and Anxiety During Interpersonal (Therapeutic) Communication Among Nursing Students	Community and Family Health Nursing
115	Nisa Anindya Nismara	131811133137	Analysis of Factors Influencing Early Adult Interest in LGBT Content Among Social Media (Twitter) Users	Psychiatric Nursing
116	Noor Aini Imama Afin	131811133138	The Relationship Between Family Support and Anxiety Levels Among Bachelor Graduates Who Are Unemployed During the COVID-19 Pandemic	Community and Family Health Nursing
117	Dewi Retno Ningsih	131811133139	The Effect of Family Revitalization and Self-Control to Reduce Online Game Addiction Among School-Age Children	Pediatric Nursing
118	Ahmad Junaidi	131811133140	The Relationship Between Community Knowledge and Attitudes and Flood Disaster Preparedness in Nganjuk Regency	Emergency, Critical, and Disaster Nursing
119	ROFIQA DWI FEBRIYANTI	131811133141	The Effect of Health Education Based on the Health Belief Model on the Stigmatization of COVID-19 Survivors	Medical Surgical Nursing
120	Anna Berliana Timur	131811133142	The Effect of Squishy Play Therapy on Hospitalization Stress Levels in Preschool Children	Pediatric Nursing
121	Nur Anita Rachmawati	131811133143	The Influence of Maternal Behavior Regarding Oral Care for Infants Aged 0–6 Months on the Incidence of Oral Thrush in Sidoarjo	Pediatric Nursing
122	Fara Amalia Riadini	131811133144	The Relationship Between Community Stigma and the Willingness of Key Populations to Undergo HIV Screening (VCT) in Putat Jaya, Surabaya	Community and Family Health Nursing
123	Irfani zukhrufatul maulida	131811133145	The Relationship Between Knowledge and Interest in Menstrual Cup Use Among Adolescents	Maternity Nursing
124	Realvan Margaret Eindhitya	131811133146	Overview of Health Workers' Preparedness in Natural Disaster Management at Health Centers in Disaster-Prone Areas of Pacitan, East Java	Emergency, Critical, and Disaster Nursing
125	Pascaningwiyati Sugianto Putri	131811133147	The Relationship Between Task Load and Psychosocial Stress and Burnout Among Nursing Profession Students	Psychiatric Nursing
126	Fhauzhy Yosshy Pratama	131811133148	Factor Analysis Related to Clean and Healthy Living Behaviors (PHBS) Among School-Age Children (6–12 Years) at Rodhiyatul Jannah Orphanage, Surabaya	Pediatric Nursing
127	Nur 'Aeni Maghfiroh	131811133150	The Relationship Between Environmental Support and Attitudes with Compliance in Mask Use During the New Normal Era	Community and Family Health Nursing

128	Lizya Anggita Abriyanti	131811133151	Factor Analysis Related to Early Marriage During the COVID-19 Pandemic in Silo District, Jember Regency	Pediatric Nursing
129	HANA TASHYA AGATHA PARAMITHA	131811133152	The Relationship Between Parenting Styles and Enuresis in Preschool Children (Ages 4–6 Years) in Manukan Wetan Kindergarten	Pediatric Nursing
130	Nadira Emillita Muslimah	131811133153	The Relationship Between Compulsive Social Media Use and Sleep Quality Among Late Adolescents (18–21 Years) During the COVID-19 Pandemic	Fundamental Nursing
131	Ninik Dwi Rahayu	131811133154	Analysis of Coping Behaviors for Dysmenorrhea Based on the Health Belief Model Among Late Adolescents	Maternity Nursing
132	Dian Iarasati Santoso	131811133155	The Relationship Between Stress Levels, Sleep Quality, and Emotional Instability Among Nursing Students Engaging in Online Learning at Airlangga University	Psychiatric Nursing
133	Ega Ayunda Ashar	131811133095	The Relationship Between Learning Motivation and Social Support with Academic Burnout Among Nursing Students at Airlangga University
